ONE LP

Transwall

Transwall's ONE LP glass wall system is a streamlined, lower profile product for office interiors. ONE LP glass wall panels conquer complexity with the flexibility of an all-in-one wall, door, and glass office front system with butt-glazed appearance that is sure to make a design statement in the workplace.

ONE LP interior glass walls boast a simple, clean-lined design which provides the natural daylight. Create the openness you want in the workplace without compromising the privacy and sound control people need in corporate workspaces. Maintain safe offices environment initiatives without incurring additional costs.
